NPL Site Administrative Record
Record of Decision (ROD) Amendment

Index

ROD Amendment Signed September 2010
Released: September 2010

Prepared by
EPA New England
Office of Site Remediation & Restoration

Introduction to the Collection

This is the administrative record for the Mottolo Pig Farm Superfund Site, Raymond, New Hampshire, Record of Decision (ROD) Amendment, released September 2010. The file contains site-specific documents and a list of guidance documents used by EPA staff in selecting a response action at the site.

This record replaces the Record of Decision (ROD) Amendment Proposed Plan Administrative Record file distributed in July 2010. This record includes, by reference, the administrative record for the Mottolo Pig Farm Record of Decision (ROD), issued March 29, 1991.

The administrative record file is available for review at:

An administrative record file is required by the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), as amended by the Superfund Amendments and Reauthorization Act (SARA).

Please note that the compact disc(s) (CD) containing this Administrative Record may include index data and other metadata (hereinafter collectively referred to as metadata) to allow the user to conduct index searches and key word searches across all the files contained on the CD. All the information that appears in the metadata, including any dates associated with creation of the indexing data, is not part of the Administrative Record for the Site under CERCLA and shall not be construed as relevant to the documents that comprise the Administrative Record. This metadata is provided as a convenience for the user and is not part of the Administrative Record.

Questions about this administrative record file should be directed to the EPA New England site manager.
